THE DESERT BIGHORN SHEEP: Wilderness Icon

ISBN: 9781941384008, Retail: \$29.95

Author: Mark C. Jorgensen

Photography: Jeff Young

Publisher: Sunbelt Publications

Pub Date: 01/15, Format: SC

(Dark Green Indicates DBS Territory)

Desert Bighorn Sheep: Wilderness Icon is the most comprehensive photographic work on this elusive symbol of the deserts of the southwest United States and northern Mexico. Photographer Jeff Young worked for years to assemble tens of thousands of high quality photographs and assemble them into what is the finest collection of desert bighorn photos ever published. Author Mark Jorgensen brings his five decades of experience studying desert bighorn sheep and managing their habitat to provide the informative text of this book.

The book's six chapters features 200 high quality photographs featuring rare behavior, sheep in their rugged desert habitat, ewes nurturing newborn lambs, and massive rams in stunning ritualized combat for dominance. The text documents the struggle to provide habitat for the desert bighorn from Nuevo Leon west to Baja California, Mexico, and from Texas west to California. Today, well-regulated hunting programs in the United States and Mexico have generated millions of dollars in revenue, which has been directed to bighorn management and conservation programs.

GOLD AND SILVER IN THE MOJAVE: Images Of A Last Frontier

ISBN: 9780932653062, Retail: \$24.95
Author: Nicholas Clapp
Publisher: Sunbelt Publications
Pub Date: 10/12, Format: SC

In the 1890s, historian Frederick Jackson Turner lamented that the frontier was gone and with it the Old West, but overlooked was some 50,000 square miles of a frontier line outlining the Mojave Desert – the Last Frontier. In this arid land, unsettled and sketchily mapped – written off as godforsaken and worse – there would now be a headlong 25-year rush for riches...and for the Old West – a grand, tumultuous, rowdy Last Act.
