A NATURAL HISTORY OF THE ANZA-BORREGO REGION: Then and Now
ISBN: 9781941384565, Retail: \$39.95
Publisher: Sunbelt Publications
Author: Mike Wells, Marie Simovich
Pub Date: 12/19, Format: SC

This book tells a coherent story of how the landscape and features of a desert region evolved over time and how organisms that inhabit the desert have adapted to the conditions found there by taking many different evolutionary paths to deal with aridity, heat, and saline soils. The result is an amazing biological diversity that has evolved in response to these conditions. It is the "go-to" book for anyone wanting to understand the natural environment of the Anza-Borrego region.

Publisher: Wilderness Press
Authors: Lowell Linday, Diana Lindsay
Pub Date: 12/17, Format: SC

For almost 40 years, *The Anza-Borrego Desert Region* has been the most comprehensive guidebook for Anza-Borrego Desert State Park (ABDSP), Ocotillo Wells State Vehicular Recreation Area (OWSVRA), and the surrounding region, including federal Bureau of Land Management (BLM) desert lands. It is the book given to new ABDSP rangers to introduce them to their assigned patrol areas and is considered "the bible" for anyone thinking about visiting these desert lands. It is the only guidebook needed for desert hikers, campers, 4WD explorers, mountain bikers, equestrians, and the casual visitor. It includes historical and cultural information as well as the natural history of the area. This easy-to-use guide includes a back pocket map.

BLOOD OF THE BAND: An Ipai Family Story
ISBN: 9781941384121, Retail: \$19.95
Publisher: Sunbelt Publications
Author: David L. Toler Jr.
Pub Date: 10/15, Format: SC

This book illustrates how one Ipai family's remarkable story forms part of the little-known, yet profoundly significant long-term history of human habitation in the land that only recently has come to be known as southern California. Beginning with the ancestors' accounts of the creation of the world that link the Ipai with the unique characteristics of our region's natural world, the journey then takes readers through the archaeological, historical, ethnographic, and contemporary accounts of the dramatic transformations through which the Ipai have persisted and ultimately prospered.

GEOLOGY OF THE COYOTE MOUNTAINS, SOUTHERN CALIFORNIA
ISBN: 9781941384213, Retail: \$34.95
Publisher: San Diego Association of Geologists
Editor: Randall Wagner

Pub Date: 11/15, Format: SC

Anyone interested in the rich and complex geology of the Coyote Mountains will find this book useful for interpreting the Paleozoic metamorphic rocks of a rifted continental margin, Mesozoic igneous rocks from a magmatic arc, and Cenozoic continental red beds and volcanic rocks overlain by marine, riverine, and lake sequences. All these capped by fanglomerates and cut by faults. No other location in the region showcases such diverse rock types and so much geologic time in such a small area. As USGS geologist Walter Mendenhall said in 1910, the Coyote Mountains' "exposures and structures are so clear that its geology will be an open book to the fortunate student to whom falls the pleasant task of deciphering it in detail."

MAAY UUYOW: Kumeyaay Cosmology
ISBN: 9780692707661, Retail: \$12.95
Publisher: Shuluk
Author: Michael Connolly Miskwish
Pub Date: 5/16, Format: SC

Kumeyaay cosmology was traditionally intertwined with ceremonies, harvest & hunts, burning schedules, and the acquisition of spiritual power. Personal conduct was subject to cosmological constraints and rewards. Cosmology was so important that Spanish priests and subsequent U.S. government agents worked hard to repress and expunge the beliefs from Kumeyaay society. This monograph provides a partial glimpse of the Kumeyaay cosmology with worldview, observatories, constellations, and stories. Includes modern interpretations of the calendar.

NEW DISCOVERIES IN THE AMERICAN PALEOLITHIC
ISBN: 9781941384640, Retail: \$29.95
Publisher: Sunbelt Publications
Editors: George T. Jefferson, Steven R. Holen, Kathleen A. Holen
Pub Date: 11/21, Format: SC

This volume is a compilation of the many themes of current inquiries into the timing of the peopling of the Americas. We show how these lines of inquiry, when taken together, contradict the currently accepted view that people only arrived in the Americas ca. 16,000 years ago. The presenters and researchers whose work is offered here, continue to explore a controversial question based on themes of inquiry which are basic to science.

TOM HOM: Rabbit on a Bumpy Road
ISBN: 9781941384114, Retail: \$14.95
Publisher: Sunbelt Publications
Author: Tom Hom
Pub Date: 4/15, Format: SC

Rabbit on a Bumpy Road is Tom Hom's memoir—a story of courage and endurance in meeting life's challenges to achieve "The American Dream." Tom was born into a Chinese family in the year of the Rabbit in the 1920's when much of American society was segregated, socially and economically. He entered school in San Diego, like other children who lived in Chinatown, speaking only Chinese. As he grew older, he faced limited job opportunities and discrimination in housing. He never lost faith in the American dream and went on to achieve success for himself, his family, and the greater good of a diverse America, breaking age-old barriers of prejudice and segregation. Today, Tom Hom is a respected elder who has contributed to the success and growth of San Diego and has inspired a new generation of Americans to greater achievement in economic growth and civic responsibilities. His journey and words of wisdom offer encouragement to all who believe in the future of America.
